

Privacy Policy 2015

Supersaul Chemmex Inc

Collection of Contact Information

We collect emails, phone numbers, fax numbers, company names, individual contact names and addresses, etc of our customers, clients and affiliates for the use of efficient logistics, billing and general communication with our customers.

Examples: Shipping orders, emailing information on product updates, phoning a customer regarding an order or enquiry.

We may share contact information between our customers and affiliates. An example: Forwarding an end user enquiry to a local distributor of our products and vice versa

We maintain contact lists for our own use to communicate with customers and clients. We do not sell our contact lists.

Newsletter

This is an opt-in and opt-out email service. The newsletter is to keep you update with our new and/or updated products and/or services. You can find the unsubscribe link at the bottom of every newsletter email.

Tracking Technologies

Occasionally we implement technologies such as cookies, beacons, tags and scripts on our website. Which are used by us and our partners. (Including marketing partners, affiliates, analytics or service providers, etc.) These technologies are used for advertising, sales and marketing, analyzing trends, improving our site layout, tracking users' movements around the site (including point of entry and exit), gathering demographic information about people and technology visiting our website, measuring the success of marketing campaigns, providing improved customer service, providing more relevant content, and providing users with a better experience on our website. We collect information based on the use of these technologies on an individual as well as aggregated basis.

Users can control the use of cookies at the individual browser level. You can also use our site without cookies

Security and Privacy

We employ reasonable technical, administrative and physical safeguards to protect the confidentiality and security of your contact and online tracking information. We use industry-recognised technical safeguards, such as firewalls, encryption, and have security procedures in place to protect your information from loss, misuse or unauthorised alteration.

When we collect financial account information, such as credit card numbers, we protect its transmission through the use of encryption.

Do to the openness and insecurity of the Internet and World Wide Web. We cannot guarantee absolute or unqualified protection of this information and we make no representations or warranties as to the effectiveness of our security and assume no liability for security breaches or any failure in the security on your equipment, service provider, and internet.

Online Advertising

We occasionally partner with third parties to manage our advertising on other sites. Our third party partners may use technologies, such as cookies, to gather information about your activities on our sites and other sites in order to provide you with advertising based upon your browsing activities and interests.
