

Constant Viscosity Synthetic EGL 1221 & EGL 10

EGL 1221 & EGL 10 uses constant viscosity technology to provide superior lubrication, cooling and economy

Benefits:

EGL 1221 & EGL 10 are designed to be

- **user friendly**
- **have low environment impact**
- **long lasting**
- **reduced consumption (70%-80% compared to conventional lubricants)**
- **reduced lubrication expenses**
